DETACH AND FILE FOR FOLLOW-UP

This is to authorize a grant payment in the amount of $1000.00 to Blacks In the Media For Affirmative Action, an organization of advocacy for affirmative action, a coalition of blacks who are in the media and who feel the importance of changing the complexion and viewpoints from a third world perspective in the communications industry.

The organization also consists of community groups from the Western Addition and Hunters Point, and in the East Bay, who feel that communications is one of the most powerful avenues of change, and if change is to occur, the perspective and employment of blacks and other third world people is necessary.

The chairman of the organization is Rev. Cecil Williams, and the location is 330 Ellis Street, San Francisco 94102.

Thank you.

Janice Mirikitani
